MPS Family Support Grant Application

The purpose of the Isabel Jurado Foundation MPS Family Support Fund is to provide funding for home modifications, medical supplies/equipment, respite care, and other services/items needed to ease the financial and emotional burden of caring for an MPS child while improving the quality of life for the entire family.

The Isabel Jurado Foundation does not provide funding for medical supplies/equipment already covered or paid for by insurance or Medicaid.

Medical documentation verifying the MPS diagnosis is required before funding can be allocated.

You are invited to submit this Grant Application with a brief description of your need. After the initial review, we may contact you to discuss your application
